

REMARKS/ARGUMENT

With the entry of this Amendment, the present application has claims 4 to 6, claims 1 to 3 having been cancelled.

The present Action states that claims 4 to 6 were objected to but would be allowable if rewritten in independent claim form. Accordingly, claim 4 has been amended to include features of claims 1 and 3, from which claim 4 previously depended. Thus, allowance of claim 4, and claims 5 and 6 that depend from claim 4, are respectfully requested.

Claims 1 to 3 have been cancelled. Thus, the rejection of these claims based on art is now rendered moot.

The Abstract has been amended to reduce the number of words to less than 150. Thus, reconsideration and withdrawal of the objection the specification are respectfully requested.

Lastly, to comply with paragraph number 1 of the Action, applicant is submitting herewith a copy of the Y reference.

Entry and consideration of the proposed amendment is respectfully requested. Also, applicants respectfully urge favorable consideration and that this application be passed

to allowance.
